**Re: CURE's Comments on the Draft UIC Permit No.
CA200002 for Elk Hills Power, LLC**

Dear Ms. Poole,

We have received the comments of the California Unions for Reliable Energy ("CURE"), submitted to the Environmental Protection Agency ("EPA") on August 21, 2000, regarding EPA's draft underground injection control permit for Elk Hills Power, LLC. EPA is currently reviewing CURE's lengthy comments and preparing its response. EPA is relying in part on technical information provided by Elk Hills Power and the California Energy Commission to respond to several of CURE's comments, and EPA has not yet received the expected information.

EPA will work diligently to complete its response to CURE's comments in the near future and will forward a copy of the response to you on behalf of CURE. If you have any questions, please direct them to George Robin of my staff at 415-744-1819.

Sincerely,
